LOSE GETTING ARMORY BY ONE VOTE

Community Center and American Legion Want Hall March 1

MEET FRIDAY NIGHT

Adopts Resolution to Request Legislature to Amend Constitution so as to Assess Property Owners

Defeated by one vote was the fate of the resolution recommended by the joint committee on finance and public property of city council at a meeting of common council last night which provided that armory hall, now rented to Leo M. Sweeney, be given free of charge for a period of one year to the community center and Alexandria Post No. 24, American Legion, and that the rent of $360 due by Leo M. Sweeney, present tenant, be remitted. Eight members voted for the adoption of the resolution and Councilmen Baggett and Sullivan voted against the measure. It required nine votes for its passage.

A called meeting of city council will be held Friday night to further consider the matter when it is expected that there will be a larger attendance. The Community Service is anxious to get into the building by March 1.

Councilman Baggett asked if it were not true that the police had been called on to quell a disorder at the Community Center in this Elks' building and if the Elks had not ordered the Community Center to get out.

Capt. George H. Evans, commander of the American Legion, was given the floor and he stated that only in the case were the police called on and that was a case of theft. He praised the management of the Community Center and told council that $2,000 had now been subscribed by private citizens to carry on the work. All the center is asking he said is the donation of the building. The reason they desire to move he added was that the Elks' building is for sale.

Capt. Evans further stated that armory hall at one time belonged to the Alexandria Light Infantry that it was given the city by that command when the city assuming certain obligations and he thought there was a little moral obligation if nothing else due to the American Legion, some of the members at one time being connected with the Light Infantry. The trifling sum of $60 a month he did not think should be considered.

Councilman McCaffrey said he lived near the Community Center and had never heard of any disorder and added that it is the only place where a poor man's child is welcome."

Others who spoke on the matter included Councilmen Ruben and Fletcher. Councilman Ruben outlined the work of the center and Mr. Fletcher said he understood that Mr Sweeney had agreed to give the building up to the Community Center.

Mayor Fisher submitted to council a communication from Mayor Albert Roper, of Norfolk, and the city council of Norfolk, urging council to call upon their representatives in the state legislature to secure the passage of the bill amending the state constitution allowing cities to levy special assessments for street improvements now before the state senate. On motion of Councilman Fletcher it was adopted.

The mayor also submitted a communication in which he stated that at the next meeting he expected to speak and write very plainly "on the indifferences real or unintentional upon the part of the Washington-Virginia R ay Company relative to taxes and licenses overdue, and when requests made by the mayor and city officers are ignored."

An ordinance directing the Corporation Attorney to submit an ordinance dedicating certain streets in East Rosemont when certain provisions are carried out was adopted.

Ordinance to declare certain streets in West Rosemont and George Washington Park legal highways and one directing corporation attorney to prepare ordinance in which city shall declare public roads in annexed territory were referred to the joint committee on streets and finance.

Resolution of Councilman Ticer that city turn over Armory Hall to the community center and American Legion for a period of one year from March 1 was referred to the committee on finance and public property.

Dr. Louis Foulks, city health officer, submitted the resignation of Dr. Roy S. Dearstyne as city bacteriologist and announced the appointment of Dr. Fauntleroy Flynn in his place and same was adopted.

The sum of $150 was appropriated for fixing up a room in the north east corner of the city hall building for Judge S. G. Brent, of the circuit court.

Resolution appropriating the sum of $350 for installation of lighting system and repairs at Columbia engine house was adopted and one appropriating $75 for purchase of curtains for the company's house was referred to finance and fire committee.

Miss Eva E. Cowling requested that two bonds of $100 of city either lost or destroyed be redeemed or reissued, she to furnish a $400 bond and it was referred to finance committee.

COMBINED STYLE SHOW ENDORSED

Executive Heads Favor Big Spring Opening Affair

WILL HOLD MEETING

Notices Will go Out Today for Special Session of Retail Merchants Next Friday Afternoon

The week of March 14th, 1920, will, in all probability see the first attempt at a combined Fashion Show and Parade on the part of the merchants of Alexandria.

This was the concensus of opinion at the special meeting of the executive committee of the Retail Merchants Bureau of the Alexandria Chamber of Commerce, held in the Chamber of Commerce rooms this morning. The members of the committee, who were present at the meeting, unanimously endorsed the proposition as presented by C. M. Horgan, manager of the Bendheim Store, and a special meeting of the entire bureau, will be held in the Chamber of Commerce rooms at 4 o'clock Friday afternoon, February 27.

The notices of this special meeting will be mailed out by R. E. Knight, chairman of the executive committee today.

The plan as outlined by Mr. Horgan, and the plan which is now being followed by countless cities and towns throughout the United States, includes the subscribing of a fund for advertising the event throughout the smaller villages within a radius of 20 miles of the city and the posting of cards and signs in the rural districts from which the merchants of Alexandria draw trade.

The style show proper which is to start Wednesday, March 17 and continue Thursday and Friday, will probably be preceded by an automobile parade, new cars and trucks to be contributed by the various automobile dealers of the city. The automobile dealers, in some instances have also promised trucks, that may be converted into floats by the merchants if they so desire. Present plans are to hold the automobile parade on Tuesday evening, March 16.

Every member of the Retail Merchants Bureau and the Chamber of Commerce, anxious to see the business of the city take on a new lease of life and continue to flourish as during the past months, is requested to attend the special meeting at 4 p. m., Friday afternoon, February 27.

OLD DOMINION LINE OF STEAMERS SOLD

Company That Controls Mallory and Clyde Companies in Charge

RIVER BOATS WILL GO

Richmond Merchants Expect to Co-Operate With Norfolk to Avert This Action.

Norfolk, Va., Feb. 25.—Control of the Old Dominion Steamship Company will in future be in the hands of the same interests that control the Mallory and Clyde Steamship Lines, it was officially announced here yesterday. The sale was consummated a week ago, but the official announcement was not made until yesterday afternoon. It was announced at the same time that the company would probably build several new ships, to be operated on the New York and Norfolk route.

Two new steamers to take the place of the Monroe, which was sunk off Winter Quarter several years ago, resulting in the loss of forty persons, and the Princess Anne, which was wrecked off Far Rockaway a few weeks ago, will be built. At least one more freight boat will be added to the New York-Norfolk route, it was also said.

The company now operates the steamers Hamilton, Jefferson, Madison and Jamestown, between Norfolk and New York, and the steamers Berkeley and Brandon, between Richmond and Norfolk, and the steamers Mobjack, Hampton Roads and Accomac, between Norfolk and points on the Eastern Shore of Virginia. Under the present plans of the company all the river boats will be withdrawn, excepting possibly the Mobjack, which covers an important trucking section on the Eastern Shore of Virginia, and also makes stops at Newport News and Old Point.

SPANKING MACHINE

Manned by Huskies of Police Force Barrel Stave Appliance Proves Great Discourager of Michief

Bridgeton, N. J., Feb. 25.—Brideton's official "spanking machine" is a an institution.

It is under the charge of Mayor Arthur C. Whitaker, at City Hall, and the huskies of the police force, with Romaine Kincaide, the truant officer of the schools, are the official spankers.

It consists of an ordinary barrel stave, carefully smoothed so as not to inflict harm, and with a handle whittled at one end to ensure a firm grasp and effective execution.

"Most persons are surprised when they see it is not a machine of some kind," says Mayor Whitaker, "but this is more effective than any machine for the purpose could be. In addition to the big barrel stave we have several others of assorted sizes to make the punishment fit the crime.

"We use the spanker in cases where the offense is such, or the years of the offender such, that it does not seem best to shut him up or to have him sent to the State Reformatory. It has served its end in many a case of this kind."

Mayor Whitaker says he has known parents who came to City Hall to have their children spanked, and who held the child while the spanking was in progress.

Only once has a person of adult years been spanked so far, and that was a young man 23 years old, who was given his choice of ten days in jail or a course in the spanker. He promptly chose the latter, and it is not likely he will ever forget the experience.

"It is a good thing," says the Mayor, 'and answers when other means are not desirable. They never come back for a second dose.

"CHERRY DAY" A SUCCESS

Mrs. T. C. Howard Extends Thanks to Committee and Children For Their Assistance

"Cherry Day" was a huge success in Alexandria, a total of $180 being realized from the sale of cherries for the benefit of the Alexandria Playgrounds Monday. Mrs. T. C. Howard, chairman of the committee, worked hard all day, and received the greatest assistance from Mrs. Albert Dreifus, Mrs. T. Marshall Jones, and Mrs. J. M. Duncan, who composed the committee.

"The interest displayed by the children yesterday was simply wonderful" declared Mrs. Howard this morning. "Nearly fifty of the school children sold cherries during the day, to provide a playground for this summer. And we were assisted by many young ladies, who worked untiringly all day. Mr. Horner's kind offer of his office for the day also assisted us. When the children display such keen interest to provide funds for a play ground for themselves, they certainly deserve the little money required to maintain the playgrounds during the summer months. Please extend my heartest thanks to all who contributed yesterday."

LENTEN LECTURES

The first of the lectures on the four Gospels by the Rev. Dr. Wallace E. Rollins, professor of Church history at the Episcopal Theological Seminary of Virginia, will be given at 7:30 tonight in Christ Church.

This lecture will be on "The Origin, Purpose and Characteristics of St. Mark's Gospel." All Sunday School teachers and older scholars of the city are invited to attend also all persons interested in the study of the Bible.

JERSEY METHODISTS RALLY

Atlantic City, N. J., Feb. 25.—Alarmed by measures pending in the state Legislature which, if passed, will permit the sale of light wines and beer in New Jersey, members of the New Jersey Methodist Episcopal Conference which meets here next week are preparing to launch a campaign to smother the growing anti-prohibition sentiment.

Resolutions condemning Governor Edwards and his attitude toward the question will be offered as soon as the conference opens. The conference also will take action on a report to be rendered by its temperance committee.

STUBS TOE, LOSES FOOT

Girl's Accident of Several Years Ago Necessitates Amputation

Sunbury, Feb. 25.—A "stubbed" toe, several years ago, cost Clara Rohrbach, daughter of Mr. and Mrs. Clinton Rohrbach, her right foot. The girl underwent an operation yesterday for amputation of the foot, which had been badly infected, tuberculosis of the bone having developed. The operation was performed on the girl's thirteenth birthday.

DRY DEPARTMENT WILL GET $25,000

Cuts in Half Sum Fixed by Joint Committee of Legislature

VOTE STOOD 52 to 31

Delegate Jesse Votes With Majority —Governor Had Declined to Recommend Appropriation.

Richmond, Feb. 25.—By a vote of 52 to 31, the House last night cut in half the budget appropriation for the State Department of Prohibition, allowing only $25,000 for the first year. This, the latest development in the fight on the department, which continues relentlessly to be waged, is hailed as a decided victory for those who have consistently advocated the abolition of the office.

Governor Davis, in submitting his budget to the General Assembly, declined to recommend an appropriation for the "dry" department and, in his message to the lawmakers, strongly advocated that it be done away with. He intimated, however, that if it were the wisdom of the General Assembly to provide for continuance of the department, he would not veto a "reasonable" apropriation. Later it was learned that he would not consider as unreasonable $40,000 for the first year and $30,000 for the second year.

The Senate and House joint Committee on Finance and Appropriation inserted in the appropriations bill $50,000 for each of the two years. It was this appropriation that the House cut in twain last night.

Delegate Wilbur C. Hall, of Loudoun, addressing the House, said: "We have diregarded the needs of the Confederate soldiers and their widows by refusing to grant them increased pensions and we have similarly refused to recognize the necessities of the farmers in refusing to vote an appropriation for a lime grinding plant. The reason advanced is that the State has no funds for such purposes.

"In view of the fact that $50,000 was appropriated for the Prohibition Department in 1918, before the country went dry," the amount now proposed is all out of proportion particularly in view of the fact that the State of Virginia now has a Federal Prohibition Commissioner."

He thought $20,000 a year was enough.

New Jersey Senate to Act on Measure Monday When Passage is Assured

Trenton, N. J. Feb. 25.—New Jersey is to have a law making it legal to manufacture and sell beverages having an alcoholic content of three and one-half per cent. The bill was passed by the Assembly yesterday and will be acted upon by the Senate next Monday night, when it will be rushed to Governor Edwards. He will sign it and Attorney Geenral McCran will make use of it in his argument before the United States Supreme Court in attacking the validity of the National Prohibition Amendment and Volstead Enforcement act.

REPUBLICANS TO MEET HERE APRIL 15

Eighth District Convention Called by J. B. Grayson Chairman

THIRTY SIX DELEGATES

Will Elect Delegate and Alternate to National Convention, Select Presidential Elector.

A call for a meeting of the district republican convention of the eighth Congressional district to be held in Alexandria April 15 at 1 o'clock in the afternoon has been issued by John B. Grayson, state chairman.

The purpose of the convention is to elect one delegate and one alternate to the national convention to be held in Chicago June 8; selecting on Presidential elector; a member of the state executive committee, nominating candidate for Congress, a chairman of the Congressional district committee and also selecting members of the state committee.

It is announced that all electors of the eighth Congressional district of Virginia without regard to past party affiliations who believe in the principals of the Republican party and indorse its policies are invited to unite under this call in selecting delegates to the district convention.

The convention will consist of two delegate for each twenty-five votes cast for governor in 1917. For each delegate chosen an alternate shall be chosen.

This city is entitled to one delegate in the convention. Counties are entitled to delegates as follows: Alexandria, 2; Culpeper, 2; Fairfax, 2; Fauquier, 5; King George, 4; Loudoun, 1; Louisa, 2; Orange, 1; Prince William, 3; Stafford, 9.

SPORTS

The Virginias handed the Lyceums a beating Monday night at the Armory in a City Basketball League contest, 23 to 18, before a good sized crowd. This puts the Virginias in second place in the race for the Spalding Trophy. Friday night, the Virginias play the Dreadnoughts again. In the last meeting, the Virginias defeated the Dreadnoughts 25 to 20, and the Dreadnoughts promise to turn the tables in Friday nights encounter.

Peyton and Davis featured for the winners, while Alexander scored four baskets. Rosy Hayden's all-around work was the shining mark in the contest, the diminitive guard of the Lyceums not only playing a classy defensive game but registered five baskets as well.

Tonight, a meeting of the Community service baseball team will be held at the Community Service at 7.30 o'clock, and all candidates are requested to attend the meeting.

Tonight, the Dreadnoughts play the Churchill A. C., in Richmond and the Virginias play the 63d Infantry quint in Washington.

Tonight, at the Lyceum Hall, the Lyceums and the Bolling Field Aviators clash in what should be a corking good basketball game. Manager Wheatley plans to use all his players int tonights fracas. The game will start at 8:15 o'clock.

Friday night, the Dreadnoughts and the Virginias meet in a City League contest at the Armory, and Manager Creegan's lads predict another victory over the Big D lads. This game should be one of the fastest of the season.

The Columbia A. C. five defeated the Terminal Y. M. C. A. five of Washington last night in McBurney's Hall by the score 25 to 23. It was nip and tuck in the first half each team having 13 points to its credit, but in the second half the home lads took the lead and were never headed again. Tonight at 8 o'clock the Columbia will play the Alexandria High School in McBurney's Hall.

HAPPENINGS ABOUT CITY TOLD IN BRIEF

The Rev. C. M. Young, of Washington, will preach in Grace Church tonight at 8 o'clock.

A marriage license was issued in Washington yesterday to Elvin J. Brawner of Alexandria, and Ora Duckert, Columbia, S. C.

A meeting of the executive committee of the Y. M. C. A., will be held tonight at 8 o'clock in the rooms of the Chamber of Commerce.

Mrs. William B. Dalngerfield moved today to her new home, 1927 I street, Northwest, Washington, and has with her her daughter, Mrs. James Monroe Love.

Considerable business of a routine nature was disposed of yesterday afternoon at a meeting of the board of directors of the Chamber of Commerce.

Miss Mabel Mullens, of New York, will give a recital at the Westminster Building on March 8. Her readings are highly recommended and a treat is in store for those who attend.

Miss Bryan Stuart and Mr. William N. Daniel, both of this city, were quietly married at the parsonage of Trinity M. E. Church Monday afternoon, Rev. A. E. Speilman officiating. They will reside in this city.

Miss Ora Dickert, formerly of this city but now of Columbia, S. C., and Mr. Elwin Brawner, of this city, were married at 2 o'clock this afternoon at the Wardman Park Hotel, Washington, Rev. Dr. E. V. Regester, pastor of the M. E. Church South, officiating.

The revival meetings are still being continued at the Free Methodist Church, 423 South Lee Street. The interest is very good and the results gratifying although the attendance has been affected by weather conditions and sickeness. Services every night this week except Saturday. All are invited to attend.

GEORGE O. WARD DIES

SHOULD ENFORCE POLL TAX

Some people strangely dream that because they refuse to pay their capitation assessments and decline to make themesives eligibile as voters that such dereliction renders them immune from paying taxes. This class should be made to understand that their wages can be garnished and costs added to their bills.

People who decline to pay their tithes are generally the loudest in their complaints against state or city officials. Most laws adopted are repugnant to them. They refuse to pay their quota towards operating the state and grumble and growl over everything done by legislative bodies.

The Charlottesville Progress in this connection says:

"That something ought to be done looking to the enforcement of the payment of delinquent poll taxes has been recognized by the people of the state for a long time, but session after session of the legislatured has come and gone without any proposition being made to change the Constitution of 1902 for that purpose. All praise is therefore due to Delegate Warren for bringing in the proper amendment which will allow drastic measures to be taken within a reasonable time, after failure to pay. The state has already an accumulation of approximately four million dollars in these unpaid poll taxes, which could be very well devoted to education and the development of the State highway program, and there is no good reason why they should be left standing on the books year after year uncollected."

WEATHER "PROPHETS"

Two score years ago the American continent tolerated a trio of so-called "weather" prophets—Wiggins, Venner and Hicks. The first- named, we remember, forecasted a high wind which was to sweep from the foundations the most colossal structures in the United States and Canada. Some people—a class who always prefer to believe in the marvelous—planned to anchor themselves to terra firma in order to avoid being blown away. The day of the "mighty gale" never dawned.

Ira Hicks's Almanac, like "Old Moore's" of London, was accepted with more faith than the authorized weather forecasts, although calculated a year in advance.

Another "prophet" has come to the front, who tells us "Look out for squalls between Thursday and Sunday."

Prof. Gustave Meyer, astrologist warns us that he has received notice from the stars by wireless that on these days a rip-roarin, howling, jr. land blizzard is due to hit us," and adds the cheerful tidings that we are also to expect "some of the most peculiar atmospherical disturbances in history on and during the above mentioned dates and calamities of magnitude will also occur on land and sea."

Meyer claim to be the champion weather forecaster of the world.

TRYING TIMES

Death and sickness are causing sorrow to many homes in our community. We are passing through an epidemic of grippe, bronchitis, pnuemonia and influenza, but not as we knew the latter during January and February of last year. Our doctors, druggists, and even undertakers are busy administering to our needs, and the former are sacrificing their natural rest and sleep. Of course we are paying for this service, but let us appreciate our local doctors, druggists and even the undertakers. They are proving faithful servants. Let us live closer to our Creator and observe the laws of health in every detail. Where opportunity affords, let us go to the assistance of our neighbors, help in sickness in any manner possible and sympathize with those in distress. We are passing through a time when it behooves us all to help one another and observe the Golden Rule as never before.—(Strasburg News

DE GUSTIBUS, ETC

A Washington paper this morning says "Apparent women of the Natioanl Capital prefer the "movies" and the theater to Art. While the former places were crowded last night in spite of the drizzle, a perfectly good lecture on Art at the Woman's Club went begging. Members of the club had been informed that Miss Seaton Smith, local authority on art and artists, would speak on French Art, but when she appeared at the clubhouse the audience was lacking. As there was no audience there could be no lecture, and Miss Smith returned home, her talk undelivered and the members of the club still willfully ignorant of French Art and artists."

It is useless to argue against taste, as our headline suggests. In the fall of 1856 Prof. Brown Williams, of Baltimore, delivered a series of lectures in the what was then known as the "New Theatre," a frame structure on the site of the present Sarepta Hall on King street. The professor was a phrenologist, and on one occasion he invited members of the audience to seats upon the stage. George Glasscock, a well known fish dealer of that day, accepted the invitation. He was attired as was his wont when selling specimens of the finny tribe in the market area, and wore a pair of boots the uppers of which extended above his knees, and they were well peckled with fish scales. Glasscock's diversion was cock fighting. As the professor passed his hand over his cranium, he stopped and addressed the audience substantially as follows: "Gentlemen and ladies I never saw this man before in my life, but I will make a wager that were Daniel Webster scheduled to lecture in Alexandria tonight and a cock fight to take place at Ox Hill, Maryland, this man would attend the cock fight."

Glasscock, in his natural good humor, replied: "That's so."

CABLES ADRIATIC NOTE

Washington, Feb. 25.—Sometime today or tomorrow Premiers Lloyd George and Millerand should have President Wilson's latest note on the Adriatic. Yesterday afternoon the State Department announced that it would be cabled later in the evening.

The communication was to be sent in duplicate, one going to the American Embassy at London and the other to the American Embassy at Paris. Ambassador Wallace in France and Ambassador Davis in England will make proper deliveries to the French and English foreign offices.

Before transmission President Wilson saw the perfected note and gave it his final approval. The name of Acting Secretary of State Polk, however, was signed to the communication.

Indications are that the President's newest Adriatic proposal will come before the Supreme Council immediately, but a final settlement may not be made for many days to come.

Get Well

IT is indeed hard to stand at one side while the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving of sympathy.

Much sickness, pain and misery result from disordered kidneys and bladder. Failure of the kidneys to do their work properly and filter impurities out of the blood leads to rheumatic pains, backache, sore muscles, aching or swollen joints, puffiness under eyes, floating specks, biliousness, bladder weakness, nervousness, or other symptoms of kidney trouble.

Foley Kidney Pills

are effective in removing the cause of the trouble for they assist nature and invigorate weak or diseased kidneys and help them to normal functioning so that the blood stream is purified and the cause of disease removed.

F. M. Platte (Jacksonian), Sec'y Switchman's Union, 731 Union St., Peoria, Ill., writes: "Two bottles of Foley Kidney Pills relieved all symptoms of my kidney and bladder trouble, stopping the backache, made pains, correcting the kidney action, clearing secretions. I am also free from dizziness and dancing specks before my eyes. Foley Kidney Pills cured me and have my strong recommendation."

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all grippe misery.

The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!

Musterole Loosens Up Those Stiff Joints—Drives Out Pain

You'll know why thousands use Musterole once you experience the glad relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size $2.50.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10 and 25c.

Common Council

At a regular meeting of the Common Council of the City of Alexandria, Va. held February 24, 1920, there were present: H. R. Burke, esq., president and Messrs. McCaffrey, Matter Ruben, Ticer, Kaufmann, Wattles Sullivan, Baggett and Fletcher.

The following message was received from the Mayor:

"Gentlemen:—

I am enclosing some papers which you can read in their order. They explain themselves and need no suggestion or recommendation from me other than I have expressed in my letter to Mayor Roper of Norfolk, Va.

I had fully intended to communicate to the City Council data regarding taxes and license due or rather overdue by the Washington-Virginia Electric Railway Co., I shall leave this until the next meeting of the City Council, and expect to speak or rather write very plainly as to the indifference, real or unintentional upon the part of this Company when requests made by the Mayor and the City Officers are ignored.

Very respectfully,
THOMAS A. FISHER, Mayor

Upon motion of Mr. Fletcher the Mayor was requested to telegraph to the senator and representative from this district at the State Capitol requesting them to vote for section 170 article 13 to permit the city to make improvements and assess abutting property owners for part of cost.

The joint committee on finance and public property recommended an appropriation of $150 to fix the room for the Circuit Judge in the City Hall building under the supervision of the committee on Public property and City Engineer, which was adopted, Ayes 10. Noes 0.

A resolution authorizing the Corporation Attorney to prepare an ordinance to be presented to the City Council declaring certain streets in East Rosemont to be legal public highways under certain conditions was recommended by the joint committee on streets and public property and passed. Ayes 10. Noes 0.

A resolution authorizing the Corporation Attorney to prepare ordinances making certain streets in Shooter's Hill and Geo. Washington Park legal highways, and to prepare ordinances making certain streets in section 1, 2 and 3 Rosemont legal highways, were referred to the joint committee on Streets and Finance.

A resolution appropriating $350.00 for installation of lighting and fixtures system, painting and other repairs in the Columbia Engine House was recommended by the joint committee on streets and finance and passed, Ayes 10 Noes 0.

A resolution to loan Armory Hall to the Community Service and the American Legion for a period of one year from February 15, 1920 was recommended by the joint committee on Public Property and Finance with the proviso that all rent due by Mr. Sweeney the present occupant of the building be returned to him, which was lost, Ayes Messrs. McCaffrey Matter, Ruben, Ticer, Wattles, Fletcher, Mr. President, Mr. Kaufmann, 8. Noes Messrs. Sullivan, Baggett 2.

A petition from Eva E. Cowling requesting that 2 one hundred dollar bonds of the city of Alexandria which were owned by her and lost be reissued or re-issued, was referred to the committee on finance.

An ordinance defining conditions under which City Council will declare roads and streets in annexed territory to be public highways was referred to the joint committee on Streets and Finance.

A resolution appropriating $75.00 to purchase curtains for the Columbia Engine House was offered by Mr. Kaufmann and referred to the joint committee on Finance and Fire.

A resolution to loan Armory Hall to the Community Center and American Legion for one year from March 1, 1920, was offered by Mr. Ticer and referred to the joint committee on Finance and Public Property. Upon motion of Mr. Fletcher a meeting of the Common Council was called for Friday night, February 27, 1920 at 8 o'clock to consider the report of the joint committee on this resolution.

A communication from Dr. Louis F Foulks, Health Officer notifying Council of the resignation of Roy S. Dearstyne, bacteriologist to take effect March 1, 1920, and the appointment of Dr. Fauntleroy Flynn to fill the unexpired term ending June 30th was received and accepted.

The board then adojurned.

The action of the students was taken in the absence of President Black.

MOVIE FAN IS SHOT

Boy Attempts to Show How They Draw a Gun.

Williamsport, Pa., Feb. 25.—While playing with other boys of his own age, Edmund Regal, aged 17 years attempted to give a demonstration of how it is done in the movies. The loaded revolver he was drawing caught in his pocket and was discharged.

The bullet entered the lower part of his abdomen and came out through his leg. The accident occurred in Mosquito Valley and it was necessary to bring the wounded boy to a Williamsport Hospital in a sled.

Are You A Target For Influenza?

It Hits Listless, Run-Down People First—Their Blood is Thin

Germs Everywhere in Epidemic

Be Prepared—Strengthen and Build up Your Blood With Pepto-Mangan

If it is true that you are not feeling your best—if you have that "always tired" feeling and no interest or enthusiasm—then you should be careful of the influenza.

It is thin-blooded, anemic people that disease strikes first, The fact that you have had a very few serious illnesses has nothing to do with it. Everyone gets run-down occasionally, and when they do, the blood is in no condition to fight off disease germs, because it has not enough red corpuscles. It is the red corpuscles of the blood that fight disease and save you from sickness.

You simply can't afford to take chances when influenza is striking down thousands everywhere. Fortify your blood—build it up with the pleasant tonic, Pepto-Mangan.

And should you be just recovering from influenza, you need Pepto-Mangan because your blood has exhausted its strength. Pepto-Mangan will help build you up.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. Comes in either liquid or tablet form. No difference in medicinal properties.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's". Ask for it by the name and be sure the full name is on the package.

VIRGINIA NEWS

The Rev. Ralph Aubrey Williams has resigned the pastorate of Park Place Baptist Church, Norfolk, in order to become pastor of Tabernacle Church, Richmond. He was located in Fredericksburg for twelve years before going to Norfolk.

If a bill sponsored by Delegate Bondurant, of Prince Edward, becomes law, Orthodox Jews, Seventh Day Adventists and others who observe other than Sunday as their Sabbath will be forced to keep their places of business closed Sundays.

J. M. Riley, a Western Union lineman, of Orangeburg, S. C., was instantly killed, and four companions were seriously injured when a hand car on which they were riding was wrecked by Norfolk and Western passenger train No. 22 near Yadkin, Monday.

"Punishment has proved to be singularly ineffective in checking the flood of violations of the liquor laws," Judge Henry C. McDowell, presiding in Roanoke, in the Federal court for the Western district of Virginia, declared yesterday as he faced the heaviest criminal docket in the history of the court.

Frank Jenkins, age 17, made a confession yesterday that he killed William Martin, Jr., aged 7, with an axe Monday near Laurel because the younger boy had cursed the older one, according to Sheriff W. W. Sydnor, who heard details of the tragedy as related by the alleged slayer, who is being held in the Henrico county jail. Sheriff Sydnor said Jenkins admitted striking the Martin boy five times with an axe, crushing the victim's skull, Jenkins later carrying the little fellow from a field to the roadside, where he left him.

Eradication of radicalism by education, or if that fails, by more drastic means, was advocated Monday night by General John J. Pershing, who in his first official visit to Richmond after beating the Huns, declared war on red anarchy and Bolshevism, which theories, he said, have no place in this great republic. General Pershing in each of his talks paid a glowing tribute to the gallantry and valor of Virginians on the field of battle, but was no less laudatory of the work done by the army behind the army at home. Particularly to the inspiration derived from the womenfolk of the land did the general attribute much of the success of the American army.

On a warrant alleging that he had a wife, Violet Billig, in New York when he married Miss Lillian, Janes, a Richmond girl, on March 20, 1919, Samuel M. Billig, of New York, and employed in Richmond was arrested Sunday, charged with bigamy. The former Miss Jones says in her complaint that her suspicion that Billig had another wife was first aroused when she applied for an allotment while he was in the army, and was notified that it had already been assigned to another wife in New York. Billig was with Company M, 303d infantry, at Camp Devens, when the allotment was made, the records show.

Fire-insurance rate-making bureaus are provided by a bill passed Monday by the Senate and sent to the House for similar action. The bill, which also empowers the Commissioner of Insurance to reduce rates and to prevent discrimination, passed without contest.

State penitentiary labor contracts will be extended or renewed if a bill introduced in the House by Delegates Gibson and Gatewood becomes a law. The measure authorizes the superintendent of the prison and the board of directors to make a new contract to expire March 22, 1922, or earlier, at the option of the board. Patrons of the bill explain that the object of the measure is to provide indoor employment for convicts not physically able to do hard work on the road. The prison superintendent is authorized to pick the men for the road building camps. Others in the prison will be available for the manufacture of clothing, shoes and other articles and commodities. The bill is expected to be fought by union labor interests.

ASKS POLL OF WHITE WOMEN

Richmond, Feb. 25.—A bill was introduced in the house of delegates yesterday to provide for a poll of the white women of the State on the question of suffrage.

The measure is designed to ascertain whether a majority of the white women of Virginia want the ballot, whether they desire the right to vote on school questions and bond issues or favor suffrage as provided for under the Federal amendment.

FIND OUT JUST WHAT CAUSES YOUR RHEUMATISM

Then You Will Be Able to Treat It Intelligently.

The medical profession has not yet fully determined all of the causes of Rheumatism, though they are pretty well agreed on two points.

The first is, that the disease is more than a mere local trouble, that the pangs of pain come from a source that is far below the surface, and therefore it is not reasonable to expect any rational relief from a treatment that is locally applied and reaches only the surface.

When you realize the logic of this conclusion, you will see that you are really wasting your time and money if you are expecting any permanent relief from the use of liniments, lotions, and other locally applied treatment, which can only reach the surface, and have no effect whatever upon the origin of your trouble.

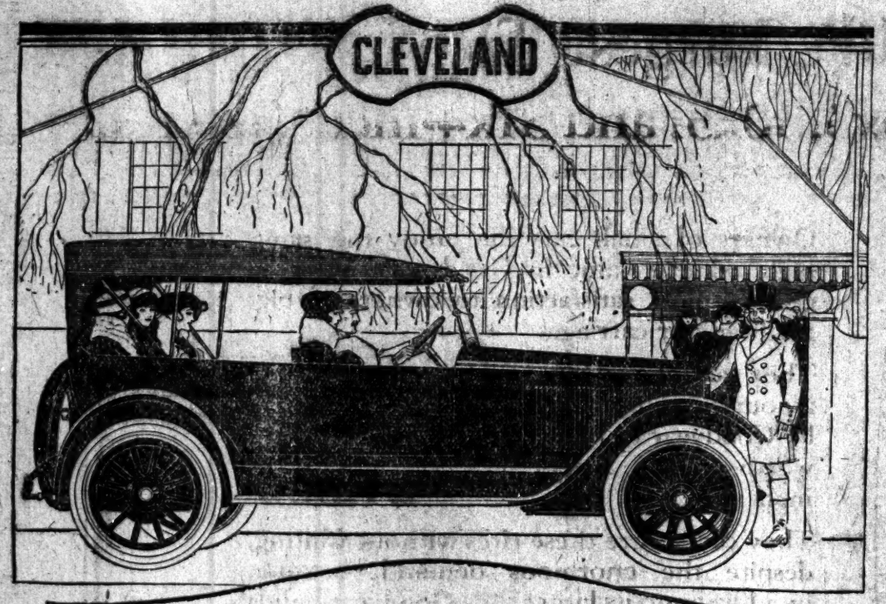
Any disease should be treated at its source, and especially one that causes as much suffering as Rheumatism. The only treatment worth while is one that will show progress toward getting at the source of the disease, and freeing the victim from its shackles.

The other point that the medical profession has agreed upon is that some forms of Rheumatism are caused by a tiny disease germ in the blood, which multiplies by the million, and until these germs are routed from the blood, you can see how futile local treatment will be. In fact, you can use liniments by the gallon and never hope to reach the cause of your trouble.

So many people have found real permanent relief from their Rheumatism by the use of S. S. S. that its use is justified in practically every case. Certainly if your Rheumatism is due to a germ in the blood, as to many thousands of cases are, you should lose no time in beginning the use of S. S. S., because you can rely upon this fine old blood remedy to do you more good than any other treatment.

S. S. S. is beneficial in Rheumatism because it is such a thorough blood medicine. It cleanses the blood of all impurities, and eradicates the germs which cause Rheumatism. The wonderful results it has accomplished in other cases is proof of its great merit. S. S. S. has been on the market for more than fifty years and is sold by all druggists.

You are invited to write our medical department for full information and advice about the treatment of your own case, for which no charge is made. Address Chief Medical Adviser, 11 Swift Laboratory, Atlanta, Georgia.



Owners Praise It For Its Comfort

The delightful comfort with which five adult persons ride in the Cleveland Six touring car has appealed to buyers everywhere. The wide, soft-cushion seats, upholstered in genuine hand-buffed plaited leather, are cozy as cozy can be. And the low underslung spring construction, a feature of the Cleveland Six chassis, subdues the road-shock long before it can reach the cushions.

Many unusual qualities such as these are fast winning friends for the Cleveland Six. Among light weight sixes it stands out distinctly.

At all the principal automobile shows this season it has attracted extraordinary crowds. Men of mechanical interests and men experienced in the use of motor cars have been generous in their expression of approval and admiration for the entire design and construction of the Cleveland Six chassis. The several beautiful styles of body, mounted on this one chassis, have met with praise from men and women alike.

When you see or drive the Cleveland Six, you want it.

MAN WEDS CHILD

Search Made for Husband; Judge Threatens to Prosecute

Nashville, Tenn., Feb. 25.—Married February 4 at the age of 11 years, Florence Lambeth today was in the care of the United Charities Commission while police are searching for her 45 year old husband, Ben Zumbro.

The case was brought to the attention of the judge of the county court, who characterized the affair as one of the most revolting and pitiful he had ever known. He announced that he would prosecute persons who had anything to do with the alleged forcing of the child into her "marriage." Divorce proceeding will be started.

When found and taken away the child was dressed in a shabby woolen dress which struck her a couple of inches above the knees and ragged stockings. All of her clothes were in a state of indescribable filth.

According to the story told by the child, the mother told her if she would marry Zumbro she (Mrs. Lambeth) would take care of her.

FRANCE NOT TO CEDE ISLES

Premier Denies Offering Martinique and Guadeloupe to U. S.

Paris, Feb. 25.—Premier Millerand, according to the Temps, has written a letter to Senator Henry Berenger, of Gaudeloupe, declaring that the government has never contemplated ceding the islands of Martinique and Gaudeloupe to any country for any reason whatever.

M. Millerand's letter is in reply to one from Senator Berenger, quoting a morning newspaper as stating that not only were the French tobacco and match monopolies to be farmed out to Americans, but that Martinique and Guadeloupe were to be ceded to the United States in return for a loan.

CAR KILL BOY

Wheeling, W. Va., Feb. 25.—A coal car broke loose on a steep incline and smashed through the side of the house of Anthony Lee, near here, Monday.

Edward Lee, 8 years old, who was ill in bed with pneumonia, was crushed to death.

PEACE WITH SOVIET

Supreme Council Advises Border States to Cease Hostilities

London, Feb. 25.—Peace is to be established with Russia. It will be an "unofficial" peace, but a cessation of hostilities, nevertheless, accompanied by measures encouraging the development of trade relations.

This interpretation of the Russian policy, defined by the Council of Premiers here yesterday, generally was accepted in liberal circles as forecasting the re-establishment of general communication and friendly relations between the sadly torn domain of the late Czar and other European powers.

The most significant portion of the official announcement from the Premiers was that practically advising the states bordering Russia to cease plans for warfare against the soviet government. This is taken to mean that the French have been won over to the position taken by the other governments, that all thought of aggression should now be abandoned.

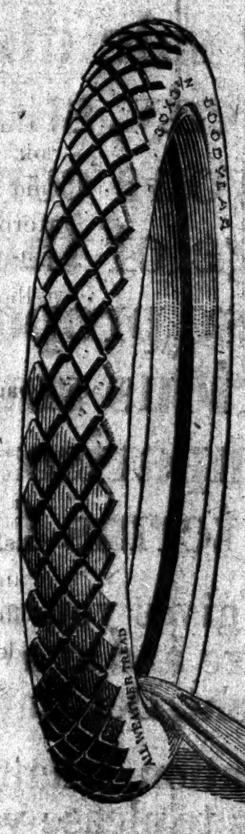
The World's Largest Tire Factory Building 30x3, 30x3½ and 31x4-inch Tires



Owners of small cars can enjoy the same high relative value in Goodyear Tires that gives utmost satisfaction to owners of big, costly motor carriages.

They can take advantage of that tremendous amount of equipment, skill and care employed by Goodyear to build tires of extraordinary worth in the 30x3-, 30x3½-, and 31x4-inch sizes.

They can secure these tires without waiting, despite the enormous demand, because, in addition to its larger sizes, Goodyear builds an average of 20,000 a day in the world's largest tire factory devoted to the three sizes mentioned.

If you own a Ford, Chevrolet, Dort, Maxwell, or any other car using one of these sizes, go to the nearest Goodyear Service Station Dealer for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread $20.00

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in waterproof bag $3.20

NEW YORK'S POPULATION

Residents Now Number Above Seven Millions

New York, Feb. 25.—Estimates on New York's census returns for 1920, give the city more than seven million inhabitants, according to census officials. The population of the metropolitan district, which included suburbs not actually belonging to the city, is said to exceed 8,500,000.

These figures would make New York indusputably the biggest city in the world. London coming second with about one million less both for the city proper and the London metropolitan area.

PLAN TO QUIT AMERICA

General Exodus of Russians Projected by Non Radical Groups

New York Feb. 25.—A general exodus of Rusians in the United States is planned by a group of radical organizations as a protest against the government's conduct of deportation cases. According to the outline of the plan made public yesterday by the Workers Defense Union, one of the participants in the scheme, a conference which will arrange the details is to be held during March in Washington. Lenine's Soviet government is to be asked to provide the ships.

EFFECT OF PROHIBITION

Rector's and the Pekin Popular in Days of John Barleycorn, Close Their Doors

New York, Feb. 25.—Prohibition today closed the doors of the Cafe de Paris, formerly known as "Rector's," one of Broadways most famous restaurants, and resulted in the filing of an involuntary petition in bankruptcy against the Pekin, also popular in the days of John Barleycorn.

Rectors was established a quarter of a century ago on Broadway near Forty second street, by Charles E. Rector, who came here from Chicago, where he ran an oyster house on savings accumulated while he was the first superintendent of the Pennsylvania Railroad's dining car service. It was the first fashionable restaurant located on Broadway, catering to the younger generation, while others of its kind were on Fifth avenue.

RIOT IN JAPANESE DIET

Police Fight With Members as Crowd Tries to Break in

Tokyo, Feb. 25.—The debate in the lower house of the Japanese diet recently on universal suffrage broke up in violent scenes. The opposition attacked the government for opposing the measure and the president was obliged to intervene.

The police fought members of the house in the lobby, and crowds outside attempted to break into the building. They were held back by the police and military. Demonstrations continued throughout the city until late at night.

COLBY SELECTED

New York Progressive is Selected for Secretary of State by President Wilson

Washington, Feb. 25.—Bainbridge Colby has been appointed Secretary of State to succeed Robert Lansing, it was announced at the White House today.

Colby's appointment came as even more of a surprise than the resignation of Lansing at request of President Wilson.

While Colby has been a strong supporter of the Wilson Administration, he is generally regarded as a Progressive Republican and was actively identified with the campaign of Theodore Roosevelt for the Republican Presidential nomination in 1912. Later he was a candidate for governor and Senator of New York on the Progressive ticket.

He was the first counsel for the Shipping Board, and made an exhaustive study of the shipping interests of the United States.

2,000 Now Held for Deportation of Trial; Many Sought Take to Cover

Washington, Feb. 25.—Federal agents have arrested more than 100 foreign radicals in a "mopping up" campaign since the Department of Justice's recent great "round up."

Many radicals, who mysteriously disappeared at that time, are now being taken. They are those for whom deportation warrants were issued, but who went into hiding.

Bureau of Immigration officials estimate about 2,000 foreign radicals are awaiting deportation or trial. More than 400 have been tried since the first of the year.

THAT KNIFE-LIKE PAIN

Is Only One of Nature's Warnings of Weak or Disordered Kidneys

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the Kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many Alexandria people. Read this case:

Mrs. A. M. Madison, 323 North Royal street, Alexandria, says: "I was so bad off with kidney complaint I had to go to bed. My back hurt me as though I were being pierced with a sharp knife. I couldn't turn from one side to the other, but was just helpless. When I was able to get up around at all I had to have help to do everything. I couldn't even lace by own shoes, and I was so nervous my hands would shake like a leaf when I tried to hold anything. The way my kidneys acted showed they were in bad shape. I got Doan's Kidney Pills at Creighton's Drug Store and I was certainly filled with joy before I had used them very long. The misery left me and I felt like my self again."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Madison had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Building City for Employees.

On the outbreak of the war the Westinghouse company found itself compelled to abandon a rather extensive house-building program which had been started, but this has been resumed, and 48 houses for its employees are now under way. These homes form only a part of a general building plan for the development of a large tract. It is estimated this tract will furnish homes for 600 families. Sidewalks and paving will be laid, and gas, water and electricity will be provided for. The houses, which are modern in construction, will be of brick with hollow tile backing, with concrete cellars and cement porches. They will consist mainly of five, six and seven-room houses, designed to meet the needs and the pocketbooks of the man in moderate circumstances, and will be sold at cost on easy terms to the employees of the company. A number of the dwellings will be for rent.

Beau Brummell shaved serenely on.

BEAU BRUMMELL who "taught Wales what a coat was like"—inventor of numberless niceties of dress—gambled himself into poverty. Publicly cut by the King, he had his last remaining finery laid out preparatory to seeking a friend who might save him from disgrace. With Weston, his faithful valet, keeping the door against the bailiffs, the great beau shaved serenely on. Prince of the Dandies to the last, he finished the job with the utmost care. Then, carefully wiping dry the precious blade and affectionately placing it in its case, he turned to Weston with the command: "Now let the rogues in."

The razor that Beau Brummell used was a shaving tool of wonderful balance. Length, temper and correct diagonal stroke were there; all it lacked was the safety and convenience of the double-edged, detachable blade of the

INCOME TAX RETURNS DUE

Business Men, Farmers and Wage Workers Must File Schedules of Income for 1919.

MARCH 15 LAST FILING DATE.

Net Incomes of $1,000 or Over, if Single; or $2,000 or Over if Married, Must Be Reported.

The Income Tax imposed by Act of Congress on earnings of the year 1919 is now being collected.

Returns under oath must be made on or before March 15 by every citizen and resident who had a net income for 1919 amounting to:

$1,000 or over, if single; or if married and living apart from wife (or husband); or if widowed or divorced.

$2,000 or over, if married and living with wife (or husband).

The status of the person on the last day of the year fixes the status for the year with respect to the above requirements.

Under any of these circumstances a return must be made, even though no tax is due.

Husband and wife must consider the income of both, plus that of dependent minor children, in meeting this requirement; and if sufficient to require a return, all items must be shown in a joint return or in separate returns of husband and wife.

A single person with minor dependents must include the income of such dependents.

A minor who has a net income of $1,000 or more is not considered a dependent, and must file a separate return.

Personal returns should be made on Form 1040A, unless the net income exceeded $5,000, in which case Form 1040 should be used.

Virginians should send returns and payments to R. C. L. Moncure, Collector of Internal Revenue, Richmond, or J. S. Dandridge, Collector of Internal Revenue, Roanoke.

How to Figure Income.

The best way to find out whether one must file a return is to get Form 1040A and follow the instructions printed on it. That form will serve as a reminder of every item of income, and if a return is due it tells how to prepare and file it.

If in doubt on any point as to income or deductions, a person may secure free advice and aid from the nearest Internal Revenue office.

Guesswork, estimates and other hit-or-miss methods are barred when a person is making out his Income Tax return. Accuracy and completeness must be insisted upon. The return is a sworn statement. As such it must be thorough and accurate.

Salaried persons and wage earners must ascertain the actual compensation received. Overtime, bonuses, shares in the profits of a business, value of quarters and board furnished by the employer and other items which are compensations for services must be included.

It must be borne in mind that compensation may be paid in other forms than in cash. A bonus paid in Liberty Bonds is taxable at the market value of the bonds. A note received in payment for services is taxable income at its face value, and the interest upon it is also taxable.

Other Returns Due.

Every partnership doing business in the United States must file a return on Form 1065; and every personal service corporation must file a similar return.

Corporations must file annual returns on Form 1120.

Trustees, executors, administrators and others acting in a fiduciary capacity are required to file returns. In some cases Form 1041 is used; in others, Form 1040; and still others, returns on both forms are required.

Information returns, on Forms 1099 and 1096, must be filed by every organization, firm or person who paid, during 1919, an amount of $1,000 in salary, wages, interest, rent, or other fixed or determinable income to another person, partnership, personal service corporation or fiduciary. These information returns should be forwarded directly to the Commissioner of Internal Revenue (sorting division), Washington, D. C.

INCOME TAX IN NUTSHELL

WHO—Single persons who had net income of $1,000 or more for the year 1919.

Married couples who had net income of $2,000 or more.

WHEN—March 15, 1920, is final date for filing returns and making first payments.

Let "Danderine" Save Your Hair

Check Ugly Dandruff! Stop Hair Coming Out and Double its Beauty

A little 'Danderine' cools, cleanses and makes the feverish, itchy scalp soft and pliable; then this stimulating tonic penetrates to the famished hair roots, revitalizing and invigorating every hair in the head, thus stopping the hair falling out, or getting thin, dry or fading. After a few applications of "Danderine" you seldom find a fallen hair or a particle of dandruff; besides every hair shows new life, vigor, brightness, more color and thickness.

A few cents buys a bottle of delightful "Danderine" at any drug or toilet counter.

FORCE FIGHT TO FINISH

Unbroken Sessions of Senate Starting Tomorrow Announced by Leader

Washington, Feb. 25.—Republican leaders have decided to force the issue on the peace treaty and to bring a final "showdown" without further delay. Senator Lodge gave notice yesterday that tomorrow he will call up the treaty and insist that it remain before that body without interruption until finally disposed of.

The inclination of a number of Democratic Senators to vote for the Lodge program in entirety has added courage to the Republican forces who now feel certain the original Lodge program will be adopted.

Efforts of Democratic Senators to have all the minority members meet in conference and agree upon reservations rather than have the treaty defeated were frustrated yesterday when Senator Hitchcock stated he could see no necessity for such a conference.

This brings to an end all Democratic efforts toward concerted action, and leaves the way open for uncertain Democrats to join the Lodge forces without being committed to any program.

THREE STORY LEAPS

One Man Critically Hurt and Score Narrowly Escape Fire

Staunton, Va., Feb. 25.—One man was critically injured and scores of guests narrowly escaped with their lives in a fire that yesterday morning destroyed the Beverley Hotel, principal hostelry here. Many guests escaped from their smoke-filled rooms by means of ropes of bed clothes. Nine were forced to jump from a third story window when they found egress cut off by smoke and flames.

The injured man is Edward Alexander. He was taken at once to The King's Daughters' Hospital unconscious as a result of suffocation. The fire, which was discovered at 3.30 this morning, was started by a porter who was cleaning clothes with gasoline.

The hotel is almost a total loss Proprietor Ware estimates. Immediately back of the hotel is a large garage, where many tanks of gasoline are stored. The firemen were forced to concentrate their attention on these, and barely escaped a disastrous explosion.

RAILROAD BILL

Labor Leaders Confident President Will Refuse to Sign Measure

Washington, Feb. 25.—Railroad men who were disappointed in the action of Congress in passing the Cummins-Esch railroad bill for the return of the railroads to their owners, expressed themselves yesterday as confident that President Wilson would veto the measure.

The bill, which was passed by the Senate Monday, is now in the hands of Attorney General A. Mitchell Palmer who will advise the President. The railroad men are now massing their forces against President Wilson, and assert that the "square deal" policy he promised last summer if they would would postpone their wage demands [illegible] of the bill. The fact that most of the Democrats in the House opposed the bill they regard as a hopeful sign.

GERMANS PICK PAULT

Former Minister to Cuba Reported Selected for Washington Post

Berlin, Feb. 25.—Herr Pault, formerly German minister to Cuba and later minister to Brazil, is said to have been selected for the post of German charge d'affaires at Washington.

Herr Pault is at present head of the American affairs division of the foreign office. Although the American government sent a charge d'affaires to Berlin recently with the title of American Commissioner, Germany is waiting for the ratification of the peace treaty by America or Congressional action officially ending the state of war between the two nations before sending a diplomatic representative to Washington.

FOX LEAPS INTO HIS ARMS

Monterey, Va., Feb. 25.—While modern hunters and trappers have not the hair raising experiences of Boone or Wetzel, their pursuits are not without adventures and thrills. On Back Creek, Clarence Bird is making the record for the season in the capture of fur bearing animals and along with his report last week of an aggregate sale of furs mounting to $175, came the story of an adventure with a gray fox in which the laugh was enjoyed more by his friends than by the young hunter himself. He traced the fox into a cliff of rocks, and not daring to risk the slow and uncertain results of his steel trap, he proceeded to build a fire and smoke him out. Almost as soon as Reynard found himself thus interrupted, he made a dash for liberty, landing in young Bird's arms. The hunter grabbed him, the forefingers of the right hand getting into the open mouth of the fox where it was held as in a vise while, with the right, Mr. Bird throttled his captive, and proceeded to choke him to death, having a two fold incentive—to save his finger and secure his prize. The latter was easy, but he came near losing the finger, the bite being so severe as to occasion much pain and uneasiness.

CHURCH DYNAMITED

Pottsville, Pa., Feb. 25.—St. George's Greek Catholic Church, of Minersville, was dynamited Monday and then set on fire by incendiaries. The structure, a big frame building, was totally destroyed with a loss of $25,000.

Rev. John Lamparka, pastor of the church, heard the explosions at an early hour yesterday morning, and on investigating found the church in flames.

It was impossible to control the fire. Minersville firemen saved the parsonage next door to the church.

An investigation of the origin of the fire is in progress by State Fire Marshals.

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As to Help Others."

Watoga, W. Va.,—Mrs. S. W. Gladwell, of this town says: "When about 25 years of age, I suffered greatly. Sometimes would go a month or two and I had terrible headache, backache and bearing down pains, and would just drag and had no appetite. They It would last two weeks and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 8 children. Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years.

Begin taking Cardui today. It may be the very medicine you need.

PET CORNS

Few Drops of "Freezone," Then Lift Corn Right Off

A tiny bottle of "Freezone" costs so little at any drug store; apply a few drops upon any corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off with your fingers. Truly! No humbug!

ELECTRIC PLANS AND SPECIFICATIONS

Should always be submitted to an expert, and when they are to be put into effect the supplies should be ordered from a first class house only, whether they call for a small motor or a complete equipment. We think we can claim to be such a concern.

They say "fine feathers make fine birds."
There's lots of wisdom in these words, suggests Dainty Dorothy.

Clothes wisdom means clothing thriftiness these days. Even if papa's from Pittsburgh he has cast a stern and forbidding eye in the direction of clothes extravagance. He is having his old suits cleaned and pressed, and found out that some of them didn't show a trace of wear. And he is asking mamma and daughter to fall in line and keep step.

DON'T BE A "MISERY-FACTORY"

Stop Headaches, Bilious Spells, Colds and Constipation with "Cascarets"—Ideal Physic!

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach and colds.

Are you keeping your liver and bowels clean with Cascarets, or merely shocking your insides every few days with Calomel, Salts, Oil or violent Pills?

Cascarets work while you sleep; they cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels which is now keeping you in constant misery. Cascarets never gripe, sicken or cause inconvenience and Cascarets cost so little too.
